Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

TIP
Add a sentence-like label to a sticky note to make it easier to find, to keep organized, and to group ideas and themes that are added to your ideas.

Step-3: Idea Prioritization

4

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

TIP

Participants can use their cursors to point at where policy notes should go on the grid. The facilitator can confirm this spot by using the laser pointer holding the **H** key on the keyboard.
